I am out of my depth to understanding defamation and other legal hazards and don't want to end up in a law suit aimed at me from anyone if I can help it. Apparently even saying Virginia is a liar has hazard! I have never been in a suit criminal or civil and want it to stay that way.

The US lawyers for the Jane Does are filling additional discovery motions and if I speak I open my self to being part of discovery apparently. I am trying to stay out of litigation and not have to employ lawyers for years as I get lost in US legal nightmare. I stand no legal risk currently on these old charges and civil suits against Jeffrey We need to consult with US lawyers on any statement I make and the complaints too

Perhaps we make a statement of the legal risk of saying anything for potential defamation or something that prevents a full and frank detailed rebuttal + the press not being the place for that? Regardless, Philip plse call jeffrey lawyer and see what you can understand from him and pehaps craft something in conjunction with him? Either way I think you need to speak to him to understand my risk so you can help me understand it - too may cooks in the kitchen and I can't make good decisions. Plse reach out to him today

+ I have already suffered such a terrible and painful loss over the last few days that I can't even see what life after press he'll even looks like - statements that don't address all just lead to more questions..what is my relationship to clinton ? Andrew on and on.

Let's rest till monday. I need head space
