**ELON MUSK,**

**Defendant.**

**Civil Action No. 1:18-cv-08865-AJN**

**DEFENDANT ELON MUSK’S MOTION TO QUASH  
& TO TERMINATE CONSENT DECREE**

Defendant Elon Musk respectfully moves this Court for an Order quashing certain portions of an administrative subpoena issued *ultra vires* by Plaintiff, the Securities and Exchange Commission (“Commission” or “SEC”), and for an order terminating the consent decree. Those portions of the subpoena should be quashed because the SEC lacks legal authority to issue those demands under either the purview of the securities laws or the judgments in this case and because the subpoena was issued in bad faith. The consent decree should be terminated because it is inequitable to permit the SEC’s roving and unbounded investigations into Mr. Musk while imposing *ex ante* prior restraints on, and *ex post* unending investigations of, Mr. Musk’s exercise of his First Amendment rights. Further, the circumstances under which the decree was entered strongly favor termination of the decree.

The grounds for these motions are set forth more fully in the Memorandum of Law. Mr. Musk respectfully requests oral argument on these motions.
