Re: State Street Global Advisors Trust Company v. Visbal, Case No. 1:19-cv-1719-GHW

Dear Judge Woods:

The parties jointly submit this letter to inform the Court of settlement developments.

As the parties indicated in a previous letter (Dkt. 530), the parties engaged in a mediation over the weekend during which they reached an agreement in principle that would dispose of all claims and counterclaims in this case.

Since the mediation, both parties have signed a settlement agreement. We expect to file a Stipulation of Dismissal with Prejudice within approximately thirty (30) days.

The parties therefore respectfully request that the upcoming jury trial and all related deadlines be adjourned *sine die* and that the Court order this action dismissed and discontinued *without* prejudice to the right to reopen the action within thirty-five (35) days of the order so that the parties can consummate the terms of their settlement. In light of the settlement over the weekend, the parties will also submit a copy of this letter to Chambers via email.

In the event that a Stipulation of Dismissal with Prejudice is not filed on or before May 30, 2024 (thirty-three days from today), the parties will submit to the Court a joint update concerning the proposed settlement.

We thank the Court for its attention to this matter.

Respectfully submitted,

/s/ Kristen McCallion
