**I. BASIS FOR JURISDICTION**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

PLEASE TAKE NOTICE, that this amended complaint is being filed in accordance with the order of this Court.

The plaintiff asks this court to view the claims being asserted under **RULE 8** citing *Bell Atl. Corp. v. Twombly*, 550 U.S. 544, 570 (2007) where the claim(s) are factually plausible if the plaintiff pleads enough factual detail to allow the court to draw inference that the defendant'(s) are liable for the alleged misconduct.

In reviewing the complaint the Court must accept all well pleaded factual allegations as true. *Ashcroft v. Iqbal*, 556 U.S. 662, 678-79 (2009). But it does not have to accept as true "[t]hreadbare recitals of the elements of the cause of action, which are essentially just legal conclusions. *Twombly*, 550 U.S. at 555. After separating legal conclusions from well-placed factual allegations, the Court

must determine whether those facts make it plausible-not merely possible that the pleader is entitled to relief. Id.

### BACKGROUND

On april 18th 2018 Members of the (NYPD) AND HARRISON Police Department with "a false warrant" Titled Joint Search operation W/Harrison P.D. See annexed (Exhibit A), this alleged warrant (Authored by Darwin Marrero was false, with the date of 4/18/18 and the time of service of 15:25:00.

As the search began the Harrison P.D. was removing and boxing up Personal property of plainfif that was not on the warrant. subsequently, the plaintiff was arrested in her home and taken to a police car and taken to a police precinct/barracks in westchester where she subsequently posted bail.

When the plaintiff returned home she noticed several personal items missing that were sentimental and known to the Harrison P.D. were not part of any crime See annexed (Exhibit B).

According to Det. Anthony Salov, the victim complained that there was more property missing/stolen, these individuals acting as a collective group stole property and did not voucher it in which the property amounted to well over \$75,000.00. Based upon Information and belief the defendant(s) as a collective group felt that the plaintiff was not going to claim her property.

The Harrison Police Department has a reputation for corruption, "even against employees of their own department, See (Exhibit C).

Subsequently, based on additional information provided by the victim of a burglary, on April 16th according to Anthony Salov, it is not clear whether victim called Salov or whether he went on his own to see victim, it is the plaintiffs contention that because Items not seized in the first search warrant were seen and believed to be stolen items from another burglary and thought she would remain silenregarding these properties stolen from her home on this illegal/false search

warrant that alleges the probable cause to enter premises of the plaintiffs home.

#### THE WARRANTS

(Exhibit A) is what the premises was entered on, exhibit A supra. The Following will show in a chronological order that coincides with the conduct of the defenfant's.

On 4/18/18 (Exhibit A) supra, was what both departments, Harrison P.D. chaperoned by NYPD entered the premises on, this warrant was also shown to the supervisor of NYCHA, an affidavit will be supplied in the near future, cannot be secured right now due to the COVID Pandemicbecause the investigator is not available because of the phase of reopening we're in.

This was never at any time shown to any Court, nor was it mentioned.

This was executed at 15:25/3:25, what is Plaintiff asks this Court to observe is P.O. Darwin has Jean Azor arrested before a different search warrant issued by Justice Warhit, See (exhibit D) of search warrant order from Westchester County which only names the plaintiff in this search warrant order, these entities knew exactly what they were coming to do and that was to plant evidence in the plaintiffs home so that they could give her a co defendant.

According to (Exhibit C) the search warrant order has the time of 3:40, which indicates that Mr. Azor was arrested by NYPD before a search ever ensued and any property was seized from the residence, "the plot thickens".

While this search is being conducted at 3:40 according to Det. Anthony Salov, a Second search warrant order with now, 2 names appear onthis second warrant issued by Justice Warhit that bears the time , 3:40.

During this search of these 2 warrants issued, while conducting this search and removing property from the residence, an alleged weapon was discovered/planted, Det. Anthony Salov, acting in concert with Marrero, came up with an amended search

warrant within 15 minutes, (Exhibit E) this amended warrant bears the time 4:00 p.m. 15 minutes after the second warrant, Adrian Murphy, The Assistant District Attorney was well aware of this, and clearly it was impossible for Salov to obtain A warrant within that amount of time, both police departments acting in concert clearly "dropped the ball here, First: why would you need an amended search warrant for an alleged weapon found during that search ? and Second: why would you need an amended warrant if Mr. Jean Azor was Arrested for that same weapon before entering the premises ?, Det. Salov not only lied in his affidavit in support of the amended search warrant, He along with Marrero planted evidence at the Plaintiffs home. So, regarding this Court's recommendation that the plaintiff allege to a reasonable possibility that the claim is in excess of the sum or value of \$75,000.00 , the plaintiff alleges that here in (Exhibit B) and also, Federal District Courts have, however, supplemental jurisdiction over State-law claims "that are so related to claims in the action within such original jurisdiction that they form part of the same case or controversy under Article III of the United States Constitution.

Here, There are Federal & Civil rights violations, ie; Westchester County and New York County, acting in concert with the intent to rob/steal property from the plaintiffs residence, enter unlawfully, plant evidence, and file false statements, this would includedefendant's from both police departments.

These rights of the plaintiff are protected under the 4th amendment, the 14th under both State and Federal constitutions, the 5th amendment, and the 14th of the equal protection clause, plaintiff has a **State and Federal Constitutional right** to be protected from unlawful search and seizure.

AS FOR THE FIRST CAUSE OF ACTION AGAINST THE DEFENDANT'S  
FROM HARRISON P.D. AND DISTRICT ATTORNEY MURPHY

The defendant's acting collectively damaged the plaintiff by falsely arrestin the plaintiff, planting evidence in the home of the plaintiff, stole property including \$10.000.00 dollars cash from the residence under the guise of illegal/false warrants, the property value alone was well over \$75.000.00, plus, the plaintiff has been damaged in the amount of \$2.500.000 Dollars.

AND FOR THE SECOND CAUSE OF ACTION AGAINST THE DEFENDANT'S  
FROM NEW YORK CITY POLICE DEPARTMENT

The NYPD, condoned the behavior as well as engaged in the said behavior of Harrison P.D. by fabricating timelines to make a criminal charge stick against the plaintiff by not stopping harrison P.D. from stealing personal property that personally belonged to the plaintiff not alleged in the search warrant, and instead covered the behavior and engaged in it themselves to wit; arresting an individual named in the "joint search warrant" when they haven' even entered the premises yet for possession of a firearm that was not in the residence, "but planted there as the Joint search would indicate, the search warrant allegedly produced by Harrison P.D. was 25 minutes later and two from 15 minutes after.

NOTICE OF SECOND AMENDED

ADRIAN MURPHY

ASSISTANT DISTRICT ATTORNEY WESTCHESTER COUNTY  
DISTRICT ATTORNEY'S OFFICE  
LISE WILSON HARLEM HOSPITAL MEDICAL CENTER

---

PLEASE TAKE NOTICE, that the plaintiff in the above-captioned action moves by permission (via) Louis L. Stanton, United States District Judge for leave to amend by including the following defendant's: Lise Wilson acting with Adrian Murphy by disclosing the plaintiffs medical records/conditions to Adrian Murphy.

The disclosure of these records are protected by the HIPPA LAW and Lise Wilson under Contract as the plaintiffs social worker knew or should have known that a patients personal medical records are to remain confidential. Also Adrian Murphy as a seasoned ADA knew well that what she took that information and did was a violation of HIPPA law also.

These actions took place between Harlem Hospital and Westchester County's District Attorney's office (via) phone.

#### POINT I

#### ADA ADRIAN MURPHY AND LISE WILSON IN VIOLATION OF HIPPA LAW.

In this aspect of this amended complaint the plaintiff charges that: in an attempt to continuously harass the plaintiff and threaten the plaintiff with prison in an attempt to worsen her health knowing her present condition as to why she has not been able to make it to Court in the first place.

Based on the Federally protected rights provided by the equal protection clause of the 5th and 14th amendments , by divulging plaintiffs personal

medical information confirmed in plaintiffs (Exhibit H), the plaintiff was told by her social worker On 3/10/20 and also told by Ms. Wilson personally, that she spoke to the District Attorney about my medical condition to ADA Murphy without Authorization from a Court's order, a HIPPA RELEASE FORM SIGNED BY THE PLAINTIFF, OR AN AUTHORIZATION, nor was it authorized by the Chief administration, and therefore, this is a HIPPA VIOLATION.

THE DAMAGE THE DEFENDANT'S CAUSED TO THE PLAINTIFF

The damage caused to the plaintiff by these two defendants is the fact that Adrian Murphy as a defendant mentioned previously in the complaint regarding the harassment by all the defendant's mentioned, took this HIPPA INFORMATION SUPPLIED BY LISE WILSON, 'who knew or should have known, based on the contract she signed, as well as well as ADA Adrian Murphy, a seasoned District Attorney about their obligations regarding HIPPA LAW, and the procedures that govern it.

Adrian Murphy continued harassing the plaintiff when this information was disclosed by Lise wilson and "intensified" the harassment by reporting to housing, "knowing the plaintiffs medical condition, went to NEW YORK CITY HOUSING AUTHORITY, " and told them to evict her with the intent to create more hardship on the plaintiff intentionally by maximizing pressure on the petitioner by abusing power as a resource to hopefully force the plaintiff to give in to these pressures by Westchester County's defendant's, and as a result of Murphy's actions, the plaintiff has been served with an eviction notice to add to the hardships.

ADA Murphy revealed to the medical department at Harlem Hospital that the plaintiff was charged with possession of a firearm which is not true, and as a result of that, the medical staff started treating the plaintiff with mal treatment, disrespect, rancor. This all resulted from slander and defamation of character which Murphy had to know or should have known would result from this abuse of power as a seasoned District Attorney, and given the nature and reputation

information contained within plaintiffs personal medical files without proper authorization and therefore;; as for this cause of action, the plaintiff has been damaged as follows:

AS FOR THE THIRD CAUSE OF ACTION AGAINST THE DEFENDANT'S,  
THE PLAINTIFF SONJA-R.-GRIFFIN ROBINSON ALLEGES:

The plaintiff repeats, reiterates and realleges each and every allegation contained within pages 1 and two of this amended complaint by reference as if same were fully set forth at length herein.

That as a result of Defendant ~~Murphy's~~ & Wilson's actions, plaintiff SONJA-R.-GRIFFIN-ROBINSON'S HIPPA rights were violated by exposing her medical conditions to ADA Adrian Murphy which caused mental anguish, debilitating health, embarrassment, that in turn caused the medical staff to discriminate against the plaintiff by not providing the medical care needed. so, in this third cause of action the plaintiff has been damaged in the amount of \$ 7,850,000.

As for the defendant ADA Murphy, Defendant Murphy, Defendant Murphy with the intent to cause damage to the defendant by slander and false statements to the medical staff to wit; telling medical staff that the plaintiff was charged with possession of a firearm and the seriousness of her case so that no more letters etc. will be provided to the Court for clarity of plaintiffs medical condition so they can force her up to Westchester County Courthouse. ADA Adrian Murphy has decided that it would be a good idea to take this information and abuse her power by interfering with doctors opinions by way of going to NYCHA to tell them to evict the defendant because she is avoiding Court when the letter by doctors have culminated to this point. NYCHA acting in accordance with this information, created a more deteriorating condition in the plaintiffs health and for this defendant's actions, the plaintiff was damaged in the amount of \$7,850,000.

## Third female Harrison police officer claims harassment

Mark Lungariello, Rockland/Westchester Journal News Published 4:57 p.m. ET March 22, 2019 | Updated 9:27 a.m. ET March 25, 2019

HARRISON — A traffic laborer in the Police Department was suspended without pay after he was accused of harassing a female officer, The Journal News/lohud has learned.

The accuser is the third woman in the department to file an internal complaint since December 2016. Harrison today has only four female officers out of 67 budgeted positions.

Details of the accusations aren't available and officials reached declined comment on specifics over privacy concerns.

But Town Board officials voted to suspend laborer Rick Bisceglia in a closed-door session at the end of their last meeting, on March 7.

Bisceglia was suspended without pay for 15 days beginning March 8. The identity of the officer who made the complaint is being withheld by The Journal News/lohud.

Bisceglia isn't an officer or member of the police union. The two traffic laborers each receive \$52,000-a-year salaries, according to Harrison's 2018 adopted budget (<https://www.harrison-ny.gov/sites/harrisonny/files/uploads/2018adoptedbudget.pdf>). Laborers' work may include installing signs.

Town Councilman Fred Sciliano declined to discuss the specific situation, but said broadly he believed the town had a strong anti-harassment policy and sensitivity training. Employees who are found not to follow the policies are dealt with, he said.

Calls to town Supervisor Ron Belmont weren't returned. Police Chief Joseph Yasinski didn't return a call either.

A period of instability in the department began in late 2016, when then-Chief Anthony Marraccini resigned while suspended. Although town elected officials never publicly disclosed the reasons for the suspension, The Journal News/ohud reported he was accused of putting in to be paid for hours he didn't work. Marraccini said he did nothing wrong and followed an existing practice for filling out time sheets.

The former chief pleaded guilty in January to an unrelated charge that he evaded paying taxes in relation to a building he owned.

Chief Mike Olsey replaced Marraccini in December 2016 but he resigned ([/story/news/local/westchester/harrison/2018/02/16/harrison-police-chief-michael-olsey-retires-amid-sex-harassment-investigation/345104002/](#)) 14 months later while being investigating by the town for allegedly sexually harassing a subordinate. An audio recording later surfaced with Olsey caught on tape ([/story/news/investigations/2018/06/05/harrison-chief-sexual-harassment-probe/656839002/](#)) telling a town resident not to cooperate with the investigation.

The investigation into Olsey was also investigated for alleged sexual harassment. Town law department investigations into the allegations didn't lead to any charges.

## Harrison faced misdemeanor charge if it paid ousted police chief: Documents

**Mark Lungariello**, Rockland/Westchester Journal News Published 4:18 p.m. ET Oct. 8, 2019 | Updated 9:53 a.m. ET Oct. 9, 2019

HARRISON - The town was warned it would be slapped with a misdemeanor if it kept paying its police chief, according to a letter that led to his resignation last week (</story/news/local/westchester/harrison/2019/10/04/joseph-vasinski-out-as-harrison-police-chief/3863217002/>).

Joseph Yasinski stepped down Thursday after Westchester County's Department of Human Resources told the town his employment was "unauthorized" and refused to certify his job beyond Sept. 23.

Paying a salary or compensation to an employee without certification is a misdemeanor of New York State Civil Service Law and could result in other penalties, county Human Resources Commissioner Mary Jennings Mahon wrote in an Oct. 3 letter to town Supervisor Ron Belmont.

From left, Commissioner George N. Longworth, Police Officer Paul DeSousa, Police Officer Michael McAllister, Police Officer Richard Lepore and Deputy Commissioner Joseph Yasinski. (Photo: Submitted by the Westchester County Department of Public Safety)

"Please amend your records accordingly and notify the individual of this matter, as periods of unauthorized employment will not count toward work experience required to take civil service exams, and may impact service time credited in the retirement system," Mahon stated.

**LAWSUIT: Ex-chief Marraccini seeks backpay** (</story/news/local/westchester/harrison/2019/09/26/harrison-police-anthony-marraccini-ron-belmont/2410140001/>)

**HATE CRIMES: Congress members say it's a local problem** (</story/news/politics/2019/10/07/hate-crimes-new-york-congress-nita-lowey-donald-trump-elliot-engel-patrick-maloney-congress/3774863002/>)

Yasinski announced his retirement at a meeting of the town board that same night.

PS. 4 of 5

Harrison has had three police chiefs in as many years, after Yasinski's immediate two predecessors resigned amid controversies.

Yasinski wasn't called an interim chief, but his appointment was always temporary because he wasn't eligible to be a permanent hire under state law.

A former deputy commission of the county Department of Public Safety, Yasinski was hired last June ([/story/news/local/westchester/harrison/2018/06/22/harrison-new-police-chief-yasinski/724953002/](#)) from outside of Harrison's department. Under Civil Service Law, governments must promote based on a certified list of candidates who take an exam for the position. Yasinski was approved as a provisional chief because there was no active list for chief at the time of his hiring.

The letter and other correspondence between the county and town obtained by The Journal News/lohud show that the town asked to keep Yasinski to avoid what it believed would be further instability — but the county noted it wouldn't be legal.

Supervisor Belmont, in a Sept. 9 letter, had asked Mahon for more time to keep Yasinski on while Harrison decided on a permanent replacement. If Yasinski was removed, there'd have to be an interim chief.

"That would only serve to continue a revolving door in the chief's position," Belmont told Mahon.

Former Chief Anthony Marraccini resigned in October 2016, while suspended and accused of filling out timesheets so he was paid for hours he wasn't entitled to. Marraccini, who said he kept meticulous records and followed existing procedure, was later sentenced to 18 months in prison ([/story/news/local/westchester/harrison/2019/05/16/harrison-anthony-marraccini-sentencing/3692130002/](#)) on a separate federal tax evasion charge.

His replacement, Mike Olsey, didn't hold the job long before he was accused of sexually harassing a subordinate. He resigned while under investigation ([/story/news/local/westchester/harrison/2018/02/16/harrison-police-chief-michael-olsey-retires-amid-sex-harassment-investigation/345104002/](#)) for that matter in February 2018. The short lifespan for the role left Harrison without an heir apparent or a certified list.

A new exam was given by the county on March 2 and a list of five eligible candidates was certified on July 9, then shared with the town on July 25. Under the law, the provisional job ends two months to the day the eligible list is published.

Harrison is required to choose from the top three candidates on the list of five unless they aren't interested. All of those on the list have said they are interested, but Harrison still needs to make a pick, Belmont said in his Sept. 9 letter.

"The summer months have been a challenge as Board members and other key town personnel have been on vacation at times, precluding meaningful deliberations over this important topic by the town board," Belmont said. "The additional time will allow us to begin the process to appoint a new chief with the full attention and participation of our town officials."

Elsewhere in the letter, he said Yasinski was tasked with a "fresh look" at the department to return it to firm ground.

"The current chief has made great progress," Belmont stated. "This significant work, though almost done, is not yet complete. It would not be in the best interests of the Harrison Police Department, or the people it serves, to not allow him to finish the job."

Belmont said the chief was overseeing "highly sensitive investigations" but couldn't specify the details.

In a response on Sept. 23, Mahon responded that civil service law only offered flexibility on its deadline "where there are a large number of provisional appointees" when terminating a provisional job would be disruptive to public services. Mahon noted Yasinski was the only provisional employee in the department.

She warned of continued employment after the deadline would be "unauthorized" but assured Belmont that the county would make every effort to assist in the appointment of a permanent chief and transition.

Belmont told The Journal News/lohud he was told via phone that Harrison could continue to employ Yasinski, a claim the county denied. Mahon's Oct. 3 letter said they had "no choice" but to not certify Yasinski's continued employment.

Catherine Cioffi, a spokeswoman for the county, said in an email to The Journal News/lohud that the commissioner always maintained that civil service laws had to be followed.

"The process is clear that the Town must offer the position to one of the top three candidates on the promotion list," she wrote. If one of the three turns refuses, Harrison can go further down the list for its choice.

"However, in doing so Harrison would have to provide the County with documentation that the top three candidates were not interested in the position," Cioffi said in the email. "That is the only way to move the list to the fifth candidate."

COUNTY OF WESTCHESTER )

ANTONY SALOV, being duly sworn, deposes and says:

1. I am a detective in and for the Town of Harrison Police Department. I, along with fellow members of the Town of Harrison Police Department (hereinafter "HPD") and members of the Westchester County District Attorney's Office (hereinafter "WCDAO") are currently investigating a burglary that occurred on March 28, 2018, in the Town of Harrison, Westchester County, New York.

2. This affidavit is made upon information and belief, the sources of which are the following:

- a. Personal knowledge;
- b. Certain files maintained by the Town of Harrison Police Department, New York City Police Department and the Westchester County District Attorney's Office;
- c. Certain records of the New York State Department of Motor Vehicles and the New York State Department of Criminal Justice Services;
- d. Other sources as indicated.

3. Relevant facts that gave rise to the current affidavit/application for a search warrant are set forth in your deponent's prior affidavit/application for a search warrant sworn before this Court on April 13, 2018, and herein are incorporated by reference.<sup>1</sup>

4. The information set forth by your deponent's prior affidavit/application for a search warrant dated April 13, 2018, and set forth herein provides probable cause to believe that a residential burglary was committed by individuals known to me as Sonja R. Griffin (DOB 8/22/1970) and Jean Azar (DOB 8/8/1973) in the Town of Harrison and further demonstrates that there is probable cause to believe evidence of said crimes will be found upon a search of the above-captioned apartment.

#### BACKGROUND

5. On April 16, 2018, your deponent met with the victim, Catherine Landy (DOB [REDACTED]), who reported additional property of hers that was stolen from her residence, located at 99 Biltmore Avenue, Apartment 236, Rye, New York 10580, which is part of the

<sup>1</sup> A copy of the April 13, 2018, affidavit/application for a search warrant by your deponent is attached.

Westchester County Country Club complex. The victim informed me that the following property was also stolen from her residence: opal diamond earrings; white mother of pearl clover earrings; small gold ball with five diamonds in each earrings; David Yurman style white gold and yellow gold square with diamond center earrings; plain yellow gold hoop earrings; yellow scallop shell earrings; yellow gold ribbed hoop one inch thick earrings with French clasp; love knot earrings; diamond and sapphire tennis bracelet; seven inch rolo bracelet; seven inch cable bracelet; 16 inch gold ball necklace; seven inch gold ball bracelet; 16 inch white gold necklace with three small hearts with inset diamonds; 16 inch necklace with six charms monogrammed with names and date of birth of her three children and two grandchildren and a date of 6/27/16; Hermes Constance shoulder bag; J.Crew Timex watch with cloth band; Michael Kors double leather wristband; and Port Chester High School class of 1952 class ring, among other jewelry.

6. On April 12, 2018, your deponent was present at the above-captioned apartment when members of the New York City Police Department executed this Court's Search Warrant Order dated April 13, 2018, for the above-captioned apartment. I observed in the above-captioned apartment one white baseball style cap which appears to be the same baseball style cap that Jean Azar were wearing in the surveillance video from that I observed from 55 La Salle Street on the evening of March 28, 2018, and which was provided to me by the Manhattan Housing Authority. I further observed what appears to be the green jewelry box that the victim had previously described to me on March 28, 2018. Your deponent also observed a pair of tannish brown "Ugg" type woman's boots worn by Sonja R. Griffin in the surveillance video I observed from Westchester Country Club on March 28, 2018. I also observed black Nike sneakers with white soles that appear to be

the same shoes worn by Jean Azar in 55 La Salle Street surveillance video from March 28, 2018. Lastly, I observed in a padlocked closet that contained a large assortment of what appears to be designer handbags.

#### CONCLUSION

7. Based upon the above-stated information, I believe that property possessed constituting evidence of the crimes of burglary in the second degree and criminal possession of stolen property in the third degree, or property unlawfully possessed or stolen, or constitutes or tends to demonstrate that the crimes of burglary in the second degree and criminal possession of stolen property in the third degree were committed in this state, or that a particular person participated in the commission of said crimes in this state, may be found within the above-captioned residence. This property consists of:

Any and all handbags; any and all white baseball style caps; green jewelry box; black Nike sneakers with white Nike swoosh emblem and soles; tannish brown in color woman's "Ugg" type boots; opal diamond earrings, white mother of pearl clover earrings; small gold ball with five diamonds in each earrings; David Yurman style white gold and yellow gold square with diamond center earrings; plain yellow gold hoop earrings; yellow scallop shell earrings; yellow gold ribbed hoop one inch thick earrings with French clasp; love knot earrings; diamond and sapphire tennis bracelet; seven inch "Rolo" bracelet; seven inch cable bracelet; 16 inch gold ball necklace; seven inch gold ball bracelet; 16 inch white gold necklace with three small hears with inset diamonds; 16 inch necklace with six charms monogrammed with names and date of birth of her three children and two grandchildren and a date of 8/27/16; Hermes Constance shoulder bag; JCrew Timex watch with cloth band; Michael Kors double leather wristband; and Port Chester High School class of 1952 class ring.

8. Accordingly, it is requested that this affidavit remain sealed until further order of this court because the incorporated affidavit/application for a search warrant is sealed.

9. No prior application has been made to this or any other Court for the relief requested herein beyond the April 13, 2018 application made before this Court.

**WHEREFORE**, your deponent respectfully requests that the Court issue an amended search warrant order, in the forms annexed, authorizing the search of the above-captioned apartment.
