JOB NO. 218341

1 NATASHA STOYNOFF

2 A. I walked in and he -- I walked into the  
3 room first and I'm looking around the room wondering  
4 what does he want to show me. Nice room, what does  
5 he want to show me. Then I hear the door close  
6 behind me and I turn around and he's right here  
7 (indicating), and he grabs my shoulders and pushes  
8 me against this wall and starts kissing me.

9 Q. And did he say anything when he started  
10 kissing you?

11 A. No.

12 Q. Did he say anything before?

13 A. Not that I recall.

14 Q. And what was going through your mind when  
15 Donald Trump did this?

16 A. Complete shock. Thank you. Complete shock  
17 because it was very fast and I was taken -- taken by  
18 surprise.

19 Q. And do you recall how you reacted?

20 A. I recall pushing him back twice. I recall  
21 trying to say something, but not really being able  
22 to. I was so flustered.

23 Q. And when you pushed him back the first time  
24 do you recall how Donald Trump reacted?

25 A. Yes. He just came toward me again.
