Re: *True Return Systems LLC v. MakerDAO*, No. 22-cv-8478 (VSB)

Dear Judge Broderick:

I respectfully write on behalf of our client the Crypto Council for Innovation (“CCI”) regarding the June 15 letter submitted by plaintiff’s counsel (ECF No. 48), which attached an e-mail and letter from an unknown individual or entity calling itself @TeamMaker (ECF No. 48-1).<sup>1</sup> CCI does not know who sent those communications—or what their intention was in sending them—and CCI respectfully submits that the anonymous communications should be disregarded. Plaintiff appears to agree. (ECF No. 48 at 1 (“We respectfully request that the Court disregard this latest communication.”).)

We would be happy to provide any further information that the Court might find helpful as it evaluates CCI’s motion.

---

<sup>1</sup> The Court previously received several letters from an unknown individual or entity calling itself @MakerDAO dai (*see, e.g.*, ECF No. 46). We do not know if there is any significance to the different names.

Hon. Vernon S. Broderick

Respectfully Submitted,
