They got caught lying! The Miss Bergdorf Goodman case is financed by a big political donor that they tried to hide. Does anybody believe that I would take a then almost 60 year old woman that I didn't know, from the front door of a very crowded department store, (with me being very well known, to put it mildly!), into a tiny dressing room, and .... her. She didn't scream? There are no witnesses? Nobody saw this? She never made a police complaint? If I was seen there with a woman-BIG PRESS. SCAM!
