<p>Participants: ██████████@s.whatsapp.net Michael ██████████, ██████████@s.whatsapp.net Charlie (owner)</p>	<p>Charlie, everything is approved. We have added dark web cyber related searches. The proposal is being modified. Do you think 60k would be acceptable with the dark web search. Otherwise, 55 is fine.</p> <p>Also, I sent a draft earlier with the wrong days. It should be 30 business days, six weeks. Is that okay? We will modify otherwise.</p> <p>I have a daily review meeting with my team on the ground. We should be about an hour. If I get the revised document before, I will send it. Otherwise, I will send it right after we meet.</p>
