6/11/23, 8:23 AM - Avish: And their role... I said it is in the bed bath
side.. and not baby...
6/11/23, 9:56 AM - Amit Malhotra: Why is the other bidder (go retail)
seeking an additional ? Is there are only two players. .one baby list
for trademarks and the other goretail, then why bid higher? What other
options does the estate have?
6/11/23, 10:36 AM - Avish: They know what debtor wants to make iy work
```

```
6/11/23, 10:37\,\mathrm{AM} - Amit Malhotra: btw, the doc 1.6.2 has the full summary
of plan - a few gaps in tech that i can see . I think they are
oversimplifying many things
6/11/23, 10:39 AM - Amit Malhotra: a different question. they are showing
15% return rate for B&M stores, is that normal for industry?
6/11/23, 11:05 AM - Avish: Don't know
6/11/23, 11:05 \, AM - Avish: WhT is b&m
6/11/23, 11:05 AM - Amit Malhotra: brick and mortar; online return rates
are ..
6/11/23, 11:05 AM - Avish: Looks low
6/11/23, 11:06 AM - Avish: I believe it has to be
6/11/23, 11:06 AM - Avish: I saw somewhere that number in another
presentation
6/11/23, 11:06 AM - Amit Malhotra: they average to between online
and physical. The document is 1.1.5.4
6/11/23, 11:07 AM - Avish: Ok that makes sense
6/11/23, 11:15 AM - Amit Malhotra: hmm.. 80+ docs uploaded in intralinks..
a lot of IT and other contracts
6/11/23, 11:19 AM - Avish: Ok
6/11/23, 11:29 AM - Avish: Sent the value proposition email
6/11/23, 11:30 AM - Avish: Did you check
6/11/23, 11:32 AM - Amit Malhotra: yep ... no major comments. Let me know
when I can send over some tech questions. For Tech, we can add operational
and strategic support ongoing. i.e we can help them as they continue to
roll out tech and face challeges on existing IT systems and look for new
options where their current playbook might not scale. I.e. I see nothing
on their end for cyber security
6/11/23, 11:33 AM - Amit Malhotra: and I think migration might be pretty
tricky compared to what they went thru with Gap/Janie as that was already
a seperate brand and might not be that intwined. If there social,
branding e-comm support that DOM could provide?
6/11/23, 12:11 PM - Avish: Let us connect

high level tech talking points
6/11/23, 9:42 PM - Amit Malhotra: "How are you reconciling between huge
BBBY budget vs what is needed for Baby? E.g. 9mm on Google GCP
```

How are you thinking about oracle migration? Dealing with Infosys etc

Budget for Computer around 3.5mm flat for each month.

Tech team is in Yellow/White. Are those BBY people? How quickly do you think the Baby team can get online and start transition? I.e. ween out of BBY systems? Any SME gaps? Who is responsible for IT and any on prem systems? Do you forsee any IP issues with BBBY?

Who is responsible for Cyber Security/Infosec? Baby is too well known at this point and has too much attention at this point, Baby will be a big target.

How about the 50-80+ tech vendor contract be re-negotiated and re-sign'ed with Baby since they are likely signed with BBBY.

I asked if I can join. Also, asked him if has looked at the at the TSA doc the ongoing numbers seem much higher than he is projecting . And there seems to be an IBM AS/400 / iSeries dependency. They are running old systems. - which is not bad, just that any transition plan has to be mindful of the amount of changes that can be done in short order. Will talk to him and report back. 6/15/23, 6:44 PM - Avish: https://stocks.apple.com/Apy4NFB3UQ3qmykuEcjBXXg 6/15/23, 9:11 PM - Amit Malhotra: Any development of note ? 6/15/23, 9:40 PM - Avish: Talking 6/16/23, 11:34 AM - Amit Malhotra: Any action items today ? Why wouldn't the estate not want any equity in the upside and recover their massive losses right? 6/17/23, 12:37 PM - Milan Gandhi For DOM CFO: Go Global does not have enough capital for go forward plan

```
6/17/23, 12:41 PM - Avish: Yes they are struggling to put everything

or with them ?
6/17/23, 2:11 PM - Avish: Both options
6/17/23, 2:19 PM - Avish: Without go global our chances reduce as we are 4
weeks behind
6/17/23, 2:21 PM - Amit Malhotra: If we can get time with their tech team
and patty we might have a shot, esp if we can push for a less aggressive
store plan. But I think the estate might want more money
6/17/23, 2:28 PM - Avish: Yes GG was working backwards
6/17/23, 2:28 PM - Avish: Based on what will work and no if stores needed
to back it
6/17/23, 2:29 PM - Amit Malhotra: Yep cut and paste of Janie and jack .. a
bit over confident
6/19/23, 8:56 PM - Avish: We are going solo

6/19/23, 8:56 PM - Avish: See what you have and may eb schedule call with
their tech team
6/19/23, 8:57 PM - Amit Malhotra: Yep need to set that up. Are we
competing with goglobal or are they out of the picture ?
6/19/23, 8:57 PM - Avish: Assess where go global was
6/19/23, 8:57 PM - Avish: Yes
6/19/23, 8:57 PM - Avish: They did just digital
6/19/23, 8:57 PM - Avish: Bid
6/19/23, 9:00 PM - Amit Malhotra: So only website, we are doing all but
baby only right ?
6/19/23, 9:01 PM - Milan Gandhi For DOM CFO: We suspect that their focus
was on digital but we don't know exactly
6/19/23, 9:01 PM - Amit Malhotra: No their had stores and POS etc in mind
when I spoke to them.
6/19/23, 9:01 PM - Amit Malhotra: Ok can we get lazard to get me calls
with their tech team asap ?
6/19/23, 9:03 PM - Amit Malhotra: And or speak to patty to give me a run
down of her tech team. I have some names from global
6/19/23, 9:35 PM - Avish: Yea we must so you can validate quickly ans get
info from team on gonglobal.m. they will share it

6/19/23, 9:36 PM - Amit Malhotra: Goglobal is still ready to work with us ? <This message was edited> 6/19/23, 9:43 PM - Milan Gandhi For DOM CFO: Go Global is closer to Lazard and know details that we don't. They work closely with Sixth Street. Seems they have deal discussions prior to submission 6/19/23, 9:52 PM - Avish: Yes 6/19/23,  $9:53 \, PM$  - Amit Malhotra: What are the new deadlines. Can we get on a call tonite or tomorrow morning 6/19/23, 9:54 PM - Milan Gandhi For DOM CFO: 28th is auction for BBBY 6/19/23, 9:55 PM - Milan Gandhi For DOM CFO: BBB auction is this week 6/20/23, 12:48 PM - Avish: Sent email Amit 6/20/23, 12:49 PM - Avish: Please get on a call today and get to speed with theor tech stack 6/20/23, 12:49 PM - Avish: Without that piece in place we will have major challenges 6/20/23, 4:45 PM - Avish: https://www.cnbc.com/2023/06/20/bed-bath-beyondschedules-separate-auction-for-buy-buy-baby-assets.html 6/20/23, 4:53 PM - Amit Malhotra: Another question that the team had was our thoughts supply chain and if there are platform components from Dreamonme we could use (on 2, my comment was it is a different kind of business) but we will see value from the supply chain side. Overall I like the team mode of go forward on this i.e. "cheap and cheerful" appproach to get the business running as soon as possible - and once running start looking at systems which make sense and which ones to upgrade .. for cost or known valule. 6/20/23, 4:55 PM - Avish: You can speak to Steve our IT guy 6/20/23, 6:01 PM - Amit Malhotra: Set me an intro 6/20/23, 8:20 PM - Amit Malhotra: Strange they said only 1 hour slot, joy said she was open the entire morning. We need to impress upon them that unless we get good 1:1 time with the key folks we cannot sign off a plan. What could be more important than this ? Also do t you have the call at the same time with mark ? 6/20/23, 8:41 PM - Avish: Yes ... they arw not providing us what go global 6/21/23, 2:58 PM - Amit Malhotra: how was the call with Patty et al? 6/21/23, 2:58 PM - Amit Malhotra: I am getting into another one with Joy 6/22/23, 11:50 AM - Amit Malhotra: Are you all plugged into the 3PL selection process? They have or are close to finalizing providers 6/22/23, 12:16 PM - Avish: Nope... but we asked 6/22/23, 1:42 PM - Amit Malhotra: btw, do you all have a lawyer or a firm engaged to review all contracts and TSA etc? 6/22/23, 3:30 PM - Avish: We have a lawyer 6/22/23, 7:55 PM - Amit Malhotra: the person for that is John Yacka on their side. They have a follow up to set it for me; let me know who from DOM is an expert on that fornt 6/22/23, 8:12 PM - Avish: Milan 6/23/23, 1:23 PM - Amit Malhotra: https://www.cnbc.com/2023/06/23/buy-buybaby-suitors-lose-interest-in-keeping-stores-open.html 6/23/23, 4:01 PM - Amit Malhotra: So my questions led to significantly lower costs for Akamai and possibly GCP. But the answers are in VDR now for everyone; exposing our playbook 6/23/23, 4:05 PM - Amit Malhotra: Good chat with Patty re: JDA/Oracle. We both agreed that 09/30 is the absolute date to hit that we cannot miss.

```
Her team has shared with her that Oracle is needed to hit 9/30 .. and I am
asking if we are adding more complexity into an already complex project. I
am going to talk to more of her people on Monday and then Joy on Tue. She
is also concerned about her people starting to leave as time goes on. PS:
when she learnt I was in Austin - she said I could meet Sue f2f when she

6/23/23, 8:06 PM - Amit Malhotra: We can. There a number of use cases once
we get the data and operations sorted. In this instance the case for
getting data out of JDA is strong
