Somehow they mapped their archtics parent PC's as 1 30, and A B. Where it should have been A Z, and 1 3

12/22/2021, 8:56 AM UTC

so the archtics audit is putting multiple columns together

10/22/2021, 1:53 PM UTC

so the archtics audit is putting multiple columns together

12/22/2021, 8:56 AM UTC

because it doesn't recognize anything past 9 as a parent PC
