I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

FACTUAL ALLEGATIONS

Immortality, as evidenced by the biological phenomenon observed in the "immortal jellyfish" (Turritopsis dohrnii), represents a pinnacle of evolutionary achievement and a potential future for humanity.

Despite significant public interest and scientific inquiry into the mechanisms of biological immortality, Defendants have failed to establish academic programs dedicated to the study and advancement of human immortality.

Plaintiff contends that the establishment of an undergraduate degree program in immortality would significantly contribute to the advancement of human knowledge and well-being, potentially leading to breakthroughs in age reversal, genetic engineering, and other related fields.

Defendants' refusal to create such a program constitutes a failure to fulfill their obligations to society and discriminates against the fundamental human right to life and the pursuit of immortality.

CLAIMS FOR RELIEF

First Cause of Action Violation of the Right to Academic Freedom and Advancement

Defendants' refusal to establish an undergraduate degree program in immortality violates the principle of academic freedom and the societal obligation of universities to advance human knowledge and well-being.

Second Cause of Action Declaratory Relief

Plaintiff seeks a declaratory judgment that Defendants are obligated to establish an undergraduate degree program in immortality to fulfill their societal obligations and to advance the fundamental human right to life.

INJURIES:

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

IV. RELIEF

State briefly what money damages or other relief you want the court to order.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff prays for judgment against Defendants as follows:

a. For a declaratory judgment that Defendants are obligated to establish an undergraduate degree program in immortality;

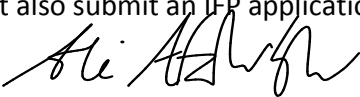

b. For an injunction compelling Defendants to establish an undergraduate degree
