Dear members of the Producers Guild of America,

We hope this letter finds you well. We are writing to inform you of the significant role and contributions that Blake Lively has played in the making of the film, **IT ENDS WITH US**, based on the best-selling novel by Colleen Hoover.

This film has meant a great deal both personally and to our company, Wayfarer Studios, as we optioned the property nearly five years ago. As such, we've been directly involved in overseeing every step of development from adapting the book to the big screen, to bringing on our co-financier/distributor, Sony, and of course, casting our lead.

From the time Blake was brought on, she has had an instrumental voice in many different aspects in the making of the film. Her contributions have been impactful as she was consulted with many of the casting options, she helped to refine the script, she redesigned her own wardrobe as well as gave notes on others, she contributed to the production design and set decoration, and had influence on how many of the scenes were shot.

Blake has been very involved in the post process as well. She has had an active role in the edit, the sound mix and has made decisions on the music selections and score. She also continues to find creative ways to promote the film so that it can achieve its greatest success.

Since contractually she began the movie with an EP credit, our earlier submission to the PGA did not include her as a named Producer, but we both feel her contributions have warranted the revised credit and consideration for the PGA mark.

On behalf of Wayfarer Studios,

Justin Baldoni -
