Could Allison do think piece on the bad PR behind the film - even if it mentions somewhat of Justin but mostly focuses on Blake - big deal of movie she tainted, not addressing DV, why her interviews aren't landing well with audiences (people online saying she's in JLo era, not positive)

And it wouldn't be so obvious if there's a part that scrutinizes his lack of response or whatever so it's not so obviously placed

Yes

What is Pam saying about bots? Did we at least counter that that was bullshit
- # [REDACTED] 8/13/2024, 8:40 PM
Elizabeth Rosner said she was pitched this story days ago. She said they wrote it up 3 days ago and Elizabeth killed it
- # [REDACTED] 8/13/2024, 8:42 PM
She said they want to run now but will be super straight forward
- # [REDACTED] 8/13/2024, 8:47 PM
I honestly think this is great press
- NM Nathan Melissa ([REDACTED]) 8/13/2024, 8:47 PM
I can't Bre this is horrifying to me
- # [REDACTED] 8/13/2024, 8:48 PM
I know - I'm not taking away from that at all. Just realistically, it could have been a lot worse. And we will hit back
- NM Nathan Melissa ([REDACTED]) 8/13/2024, 8:49 PM
SJ will use this so hard against me
- # [REDACTED] 8/13/2024, 8:49 PM
Before or after her legit takedown story? Fuck her. She's the type of publicist who would plant this type of story about herself
- # [REDACTED] 8/13/2024, 8:52 PM
AND this is a guy everyone likes. This is not a rapist we are defending. People love Justin. It's not an awful look
- # [REDACTED] 8/13/2024, 8:57 PM
Also, what a dumb fucking PR move. Could you imagine being more focused on this shit than the actual fact your lackluster blockbuster star finally made a movie people are going to see

Dang

[REDACTED] 8/13/2024, 9:10 PM
It's old but we can use it. The people obsessed with this drama will not remember this story and we can resurface

NM Nathan Melissa ([REDACTED]) 8/13/2024, 9:11 PM
100% and what a headline

[REDACTED] 8/13/2024, 9:12 PM
Elizabeth is working to update People piece re: adding agency

[REDACTED] 8/13/2024, 9:17 PM
Could Sara include mention if NYP picks up that "meanwhile Blake's rep, Leslie Sloane who started her own venture from Harvey Weinstein's backing, xxx"

[REDACTED] 8/13/2024, 9:17 PM
Or we give to Allison

NM Nathan Melissa ([REDACTED]) 8/13/2024, 9:17 PM
Allison

NM Nathan Melissa ([REDACTED]) 8/13/2024, 9:17 PM
Because she doesn't have a link to have

NM Nathan Melissa ([REDACTED]) 8/13/2024, 9:17 PM
Her

[REDACTED] 8/13/2024, 9:18 PM
Yes

For Alison - hands off think piece on the whole PR debacle behind the scenes:

Story

-Jeopardizes the film's brand, financially / legacy wise if this impact the sequel
-You have a film with serious subject matter, not only being promoted with focus on flowers/clothes, but a PR campaign distracting audiences away from important messaging to play out a high school fight between two stars.
-Why would Blake allow this to happen? How could she? What is she thinking right now regarding her team?
-Where were the opportunities to promote resources for survivors of domestic abuse?
-Questions, did Blake's inability to relate to regular people / what they want to see, just slight her big moment?
-JLo references all over TikTok. Next JLo whose career suffered from her tone deafness of her own brand?
