Hi Melissa,

My name is Mitz, I work closely with Jamey at Wayfarer Studios. I'm sure we will chat more later this week. Looking forward to meeting you.

We've started putting a [timeline of events](#) over the last 2 years.

This is a WIP and needs some cleaning up but sharing with you so you can start to get up to speed.

Please let me know if you have any questions!

[@Jennifer Abel](#) let me know best way to share this with you. For some reason google sheets doesn't like your email.

Talk soon,

Mitz Tošković
