OVERVIEW

TAG PR will work closely with Jonesworks, Justin Baldoni, Wayfarer Studios, and its applicable executives to design and implement a crisis communications strategy to protect and enhance the reputations of Justin Baldoni, Wayfarer Studios, and their executives while navigating through anticipated and unforeseen challenges leading up to the “It Ends With Us” premiere and its aftermath.

As part of our efforts to protect the company’s position, TAG PR will provide ongoing strategic counsel and rapid interference to mitigate references of controversy, correct inaccurate narratives, and push out factual, positive messaging to create a level of control and balance in coverage surrounding the premiere and, in the months afterwards.

Our plan will be tailored to reach key audiences including selected media, industry decision makers, partners, investors, and other creatives to ensure the longevity and prosperity of Justin Baldoni, Wayfarer Studios, its applicable executives, and future projects.

Our approach will include the following elements:

CRISIS PREVENTION & MITIGATION

- Support Justin Baldoni, Wayfarer Studios and its applicable executives with independent strategic counsel and perspective.
- Curate statements, background information, and talking points for press reflecting the company’s core values, key messaging and the integral role they played to bring this film to life.
- Develop a comprehensive scenario planning document outlining a series of potential outcomes with a suggested course of action for each variable.
- Catalog third party validators from the crew, previous projects, and other industry peers to establish credibility around the narrative and help shape perception in the press.
- Provide input on specific inquiries and liaise with reporters to mitigate negative stories/correct inaccuracies.
- Monitor coverage and social conversations, correcting and updating stories & headlines in real time.

BRANDING & MESSAGING

As needed, our team can be helpful in identifying and supporting future proactive opportunities to further assuage any potential negativity. These efforts will include:

- Align with Jonesworks and team on the timeline for the coming months to establish key moments and determine accessible opportunities.
- Support Jonesworks in media management as appropriate, to ensure Justin, the company, and its team are positioned in a positive light.
- Define target audiences and identify areas of focus and sensitivity.
- Review, refine, and help to create all existing communications materials and incorporate consistent, unified messaging, including but not limited to, boilerplates, talking points, press releases, statements, event and appearance materials, promotional language, and more.
- Curate statements, background information, and responses for press.
- Provide input on press inquiries as appropriate and liaise with reporters through this time of crisis to filter through opportunities and determine which are valuable to Justin, Wayfarer Studios, and executives' overall profiles and reputations.
- Manage and oversee any potentially negative stories and correct inaccuracies, as necessary.
- Work with Jonesworks and team to monitor relevant coverage and social conversations while flagging, correcting, and updating as needed, adding statements, and background items, and more in real time.
- Perform media training and prep sessions by drafting and reviewing talking points and facilitating a mock interview experience, as necessary.
