

**AFFIDAVIT IN SUPPORT OF
AFFIDAVIT IN SUPPORT OF A CRIMINAL COMPLAINT**

I, David Brown, being first duly sworn, hereby depose and state as follows:

INTRODUCTION AND AGENT BACKGROUND

1. I am an investigative or law enforcement officer of the United States within the meaning of 18 U.S.C. § 2510(7); that is, an officer of the United States who is empowered by law to conduct investigations of, and to make arrests for, the offenses enumerated in 18 U.S.C. § 2516. I have been trained in advanced investigative techniques and have satisfied all requirements defined by the Federal Criminal Investigator Classification series established by the U.S. Office of Personnel Management.

2. I have been employed by the Federal Bureau of Investigation (“FBI”) as a Special Agent since May 2017 and have been assigned to the Cleveland Division, Youngstown Resident Agency, since October 2020. I have been assigned and participated in investigations in the area of general criminal matters, public corruption and white-collar investigations, which include bank robberies, drug violations, weapons violations, crimes against children, armed robberies, wire fraud, bank fraud, money laundering, bankruptcy fraud and threats of violence. Prior to my employment with the FBI, I was employed as an Ohio State Trooper for approximately 5 years. I completed the 20-week FBI New Agent Training (“NAT”) course in Quantico, Virginia. As part of the NAT course, I received training in criminal investigations, search and seizure issues, preparing search warrants, surveillance techniques, preparation and execution of search warrants, and debriefing defendants, witnesses, and cooperating sources.

3. I have participated in all of the usual methods of investigation including, but not limited to, financial analysis, physical surveillance, cooperating witnesses, confidential human

sources, telephone toll record analysis, interception of wire and cellular telephone communications, consensual monitoring, and in the execution of search and arrest warrants.

4. Over the course of my employment as an FBI Special Agent I have conducted and participated in multiple criminal investigations that have resulted in arrests for violent criminal offenses, as well as white collar offenses.

5. Except as otherwise noted, the information set forth in this Affidavit has been provided to me by FBI Agents or other law enforcement officers or agents. Unless otherwise noted, whenever in this Affidavit I assert that a statement was made, the information was provided by another law enforcement officer (who may have had either direct or hearsay knowledge of the statement) to whom I have spoken or whose report I have read and reviewed. Likewise, information resulting from physical surveillance, except where otherwise indicated, does not necessarily set forth my observations, but rather has been provided directly or indirectly through the FBI or other law enforcement officers. Any information pertaining to vehicles and/or registrations, personal data on subjects or record checks has been obtained through the Law Enforcement Automated Data System (“LEADS”) from the State of Ohio or the National Crime Information Center (“NCIC”) computers by members herein described.

6. Because this Affidavit is being submitted for the limited purpose of securing a criminal complaint, I have not included each fact known to me concerning this investigation. Instead, I have set forth only the facts that I believe are necessary to establish the necessary foundation for the requested complaint.

7. This Affidavit is being submitted for the limited purpose of establishing probable cause to believe that **CHARLES BRONSON INGRAM** (hereinafter, “**INGRAM**”), age 47, social security account number XXX-XX-XXXX, currently residing at XXX0 Norton Ln., North

Bloomfield, Ohio, in the Northern District of Ohio, Eastern Division, has committed a violation of Title 18, United States Code, Section 875(c); Violations of threatening interstate communications.

The FBI receives complaints via their CyberTipline from Internet Service Providers (“ISPs”), Electronic Service Providers (“ESPs”), and others. These CyberTipline reports are reviewed by an FBI analyst and forwarded to law enforcement for further investigation on the information provided in the CyberTipline report. The information was provided by the digital media platform through which the below statements were published. Information provided in the complaint included detailed threats posted on the public platform YouTube from January 14, 2026, up until as recently as January 28, 2026, posted by a user identified as @dessertbooger9397. The aforementioned statements are detailed below:

- a. January 14, 2026, at 4:41:03 EST- “Get a gun Find good location up high. Kill random ICE agent. Anytime, anywhere and all the time. After every single ICE agent is doxxed and dead. After that kill every single person who voted for Trump. Kill ICE, shoot first, second, third and fourth. Leave ICE tortured and dead with all 70 million Trumppers!”
- b. January 14, 2026, at 6:58:12 EST- “Take the opportunity and kill ICE, CBE, etc. Randomly kill them from rooftops in highly populated areas, making escape easier. Strike them down and move, a few dozen dead agents and billionaires and they’ll hide so we can kill them one by one 70 million times (Crying with

Laughter Emoji)¹”.

- c. January 15, 2026, at 3:49:58 EST- “Get up high, take a gun, kill some ICE and simply walk away. Kill an agent and flee. No one cares about trumpards anymore. Kill them all anytime they poke their heads out. No more Trump (Cockroach Emoji) roaches.”
- d. January 15, 2026, at 12:28:00 EST- “Kill everyone in ICE, then the 1% elites and then trump supporters. Funny how I’m exactly the opposite of the Trump NAZIS. There’s nothing I won’t do for the people of this nation given the opportunity, means and access. Put me in coach and I’ll score a touchdown the world will remember.
- e. January 15, 2026, at 11:23:27 EST- “We need to kill the far right once and for all, can’t keep letting these Nazis live. Wipeout all the Kirk’s of the world”.

- h. January 25, 2026, at 4:10:00 EST- “Kill ICE and their 1% elites. Kill the killers. Give me the opportunity, means and access and I’ll become the world’s biggest, loudest, voice as the last thing they hear but I want Dems & Rebs in the same place/same time to get all the top garbage in one nasty surprise”.
- i. January 26, 2026, at 9:05 EST- “I’m actually looking forward to this, I’d like

¹ Crying with laughter emoji is generally known to mean laughing so hard that one is brought to tears.

nothing more than seeing ICE/NAZIS being tortured and killed in the streets. That's how you destroy a traitorous government".

- j. January 26, 2026, at 9:57:00 EST- "Two ways to fix this. An organized protest for everyone to do nothing for a month to cripple the status quo's or we kill whomever won't play nice in the sandbox. I was raised in a racist, trust fund environment, so I know exactly where you stand and the rich think we nobodies are roaches to be controlled or destroyed and that's it. The 1% elites and their facilitators all need to die."
- k. January 28, 2026, at 6:49:00 EST- "I'm from the area where TP was at. If I see it, I'm going to kill it. So the sunshine is where he should stay. I'm personally preparing to hunt and kill ICE agents and I'm not even close to the only one. We the people will be killing some people that need to die. Run rabbit, run cause your days are done."
