Case No. 3:22-cv-01862-IM

**STIPULATED ORDER REGARDING
PLAINTIFFS' EMERGENCY MOTION
FOR A PRELIMINARY INJUNCTION**

Plaintiffs,

v.

ELLEN ROSENBLUM, Attorney General of
Oregon, and TERRI DAVIE, Superintendent of
the Oregon State Police,

Defendants.

Based on the stipulation of the parties, this Court adopts its reasoning as stated in the Court's Opinion and Order in *Oregon Firearms Federation et al.*, 2:22-cv-01815-IM, ECF 39. Accordingly, Plaintiffs' Emergency Motion for Preliminary Injunction ("Motion"), ECF 5, is

DENIED, to the extent that the Motion seeks a temporary restraining order, with respect to large capacity magazines and with respect to a facial challenge to Measure 114's permitting provision. However, in light of the difficulty the State has conceded in terms of implementation of the permitting provisions at this stage, implementation of those permitting provisions is stayed for thirty days.

Plaintiffs are entitled to a prompt hearing to determine whether a preliminary injunction should issue based on a more complete evidentiary record addressing whether there is a likelihood of success on the merits under the Second and Fourteenth Amendments. The parties are ordered to confer and propose a briefing schedule to this Court by December 7, 2022.
