

- 1 5. A nightmare of legal and personal harassment unfolded against Frank Tufano
2 over the next several years, where Frank Tufano had lost his family relationships,
3 all personal relationships, his business, essentially ruining his life.
- 4
5 6. Frank Tufano has come to the conclusion that Paul Saladino is an “industry
6 plant,” an actor that is being used by the “elite,” secret societies, to funnel
7 money and attention into their own businesses.
- 8
9 7. All wealthy and powerful people are members of various secret societies, The
10 Illuminati and Freemasons being two of the most well known fraternal
11 organizations.
- 12
13 8. Frank Tufano recognized the presence of Freemasonic Lodges in most cities
14 throughout the United States as well as the common symbolism that Illuminati
15 members used to interact with each other on social media.
- 16
17 9. Despite Paul Saladino being a newly minted doctor with no social media
18 presence, he was quickly in the spotlight as a health and nutrition expert,
19 mingling with celebrities such as Bear Grylls and Georges St Pierre, even
20 appearing on the Joe Rogan Podcast, the largest podcast platform online.
- 21
22 10. Paul Saladino’s supplement company “Heart & Soil,” uses a logo with horns,
23 emulating Baphomet, a satanic figure commonly worshiped by various secret
24 societies.
- 25
26 11. Whether Paul Saladino is a member of these specific secret societies, or other
27 unknown ones, is irrelevant to the fact that it would take a team of highly
28 experienced and organized people to campaign against Frank Tufano in the
manner that has occurred over the past several years.

1 12. In the case Saladino, MD v. Frank Tufano No. 7:2020cv09346, Frank Tufano
2 was denied several amendment rights and also fell victim to malpractice by
3 Jeffrey Davis, Esq.
4

5 13. Frank Tufano's First Amendment Right to Freedom of Speech, and Seventh
6 Amendment Right to a Jury Trial in Civil Lawsuits by the premise of the lawsuit
7 just mentioned and denial of any of Frank Tufano's attempted motions in this
8 case.
9

10 14. Jeffrey Davis was retained by Frank Tufano initially in the case, but failed to
11 communicate court proceedings to Frank Tufano, resulting in a default
12 judgement which the court did not allow him to vacate.

13 15. Whether this miscommunication was intentional or not, Jeffrey Davis's actions
14 later hostility towards Frank Tufano, including calling him personally on his cell
15 phone and making physical threats against his life, has given Frank Tufano the
16 assumption that Jeffrey Davis has ill intentions against Frank Tufano.
17

18 16. Frank Tufano believes Jeffrey Davis, as well as all lawyers, are members of
19 Freemasonry or various secret societies, and because Frank Tufano himself is
20 not a member of such groups or organizations, Jeffrey Davis had an obligation
21 to defend his fellow secret society brethren Paul Saladino.
22

23 17. In all of these secret groups, members go through trials and swear oaths to
24 secrecy that override all laws known to US citizens.

25 18. *"Handshakes are what secretly identifies a fellow mason in order to show favor. Masonic oaths*
26 *trump laws of the land and any oath to an official office. Example: Even if a fellow Mason is*
27
28

1 *guilty of a crime, another Mason who is a prosecutor or judge is bound, by his Masonic oath, to*
2 *set him free.”*

3
4 19. Because of these oaths, any judicial decision made outside of a jury, would not
5 be in favor to Frank Tufano as a non secret society member. Even if a jury was
6 selected, it would be impossible to ensure that the intentions of the jury
7 members are not corrupt by secret society influence as their oaths precede any
8 obligation of truth to the court.

9
10 20. Frank Tufano’s recent court experience have given him confidence in some
11 unknown bias against him. In the past year he has filed almost a dozen cases in
12 both Federal and State Court where the judge promptly dismissed the case, not
13 allowing for even initial proceedings.

14
15 21. Instead of Paul Saladino apologizing and continuing his job with his fellow
16 psychiatric patients, as he is a psychiatrist by training, Paul Saladino has used his
17 secret society connections and influence to maliciously copy Frank Tufano’s
18 entire persona, his life’s work while using the same connections to utilize the
19 court system in silencing Frank Tufano from defending himself.

20
21 22. All of Paul Saladino’s ideas, businesses, his current ‘Animal Based Diet,’ all
22 originated from Frank Tufano’s YouTube channel. However, because of Paul
23 Saladino’s Secret Society connections, and the influence and control that these
24 groups such as Freemasons and Illuminati have over all of social media, Paul
25 Saladino has become known by millions as what Frank Tufano sought out to be.

26
27 23. Paul Saladino has been recognized globally with total social media viewership
28 exceeding hundreds of millions, spouting Frank Tufano’s life work. While Frank

1 Tufano has been shadow banned and censored by these same Secret Society
2 groups that promote Paul Saladino.

3
4 24. Paul Saladino has achieved everything that Frank Tufano sought out to do
5 through lies, deceit, and illegitimate work, yet still tries to attack and silence
6 Frank Tufano through the Court System using his secret society connections.

7 25. It would be clear from any outsider viewing the situation that Paul Saladino is on
8 a shameful and disgusting tirade with only selfish intentions to increase his
9 personal reputation and wealth at the expense of others. The support of his
10 fellow secret society brethren on this journey show how these organizations in
11 control are likely colluding for financial gain.
12
