FY24-25 CoC NOFO Implementation Plan

Pursuant to the Court's order in *State of Washington/NAEH v. HUD*, Nos. 25-cv-626/25-cv-636 (D.R.I.), HUD publishes this revised and amended report of steps needed to process renewals according to the FY24-25 Notice of Funding Opportunity for the Continuum of Care Competition, which will culminate in the selection of awards, but excluding any actions that may initiate the obligation of funds. HUD will follow all applicable procedures laid out in the FY24-25 NOFO, including conducting threshold reviews and risk reviews for both renewals and reallocations. HUD anticipates selecting awards by March 31, 2026.

I. Funding for Reopened FY24-25 CoC NOFO

- **FY24 Carryover:** The FY25 competition will include FY24 carryover funding of about \$5 million that must be obligated by September 30, 2026. FY24-25 NOFO ("NOFO") Sec. I.A.1 at 3.
- **Fair Market Rent:** The FY24-25 NOFO uses FMR at the time of submission of application. FY26 FMRs are effective as of October 1, 2025, meaning FY26 FMR will be implemented. NOFO Sec. V.D.1 at 111.
- Pursuant to the Court's order and the FY24-25 CoC NOFO, HUD is including up to \$294,000,000 in funding under Section 231(a)(1) and 213(a)(3) of the 2020 Consolidated Appropriations Act. HUD is also utilizing authority under the Full-Year Continuing Appropriations and Extensions Act, 2025 (Public Law 119-4, approved March 15, 2025) to enable HUD to repurpose \$100 million made available for Permanent Supportive Housing to fund CoC Projects under this NOFO.

II. Application Processing Steps and Timeline

- **Reopening the FY24-25 CoC NOFO**
 - On January 8, 2026, HUD notified the public via listserv (*see* ECF No. 78-1) and website posting that the FY24-25 NOFO will be reopened for processing renewals and reallocations while this Court's preliminary injunction remains in effect and notified all prospective applicants of the relevant deadlines and anticipated selection no later than March 31, 2026. HUD further notified the public that it reserves the right to implement a new NOFO if and when a court order does not preclude it from doing so.
 - On January 9, 2026, HUD reopened and posted the FY24-25 CoC NOFO with an extended deadline to allow for all eligible renewals and reallocations. NOFO Sec. I.A.2-3 at 3-4; Sec. I.B.2.b.(24) at 19-20.

 - Projects that were awarded FY 2024 funds that are not being reallocated or replaced by the CoC may be eligible for selection for FY 2025 funds using their FY 2024 application submission and are not required to apply for renewal for FY 2025 funds. NOFO Sec. I.B.2.c. at 23.
 - If applicants with awards from FY 2024 indicate in writing, in a manner that HUD may further direct, that the applicant will not reallocate or replace any of their awards, HUD will consider, if feasible, beginning the review and processing of these renewals before the February 9, 2026, submission deadline.
