SECOND AMENDMENT FOUNDATION, *et al.*,

Plaintiffs,

v.

No. 3:21-cv-0116-B

BUREAU OF ALCOHOL, TOBACCO, FIREARMS, AND EXPLOSIVES, *et al.*,

Defendants.

#### **JOINT STATUS REPORT**

Pursuant to the Court's order of September 27, 2022, the parties respectfully submit the following status report.

On May 21, 2021, defendants (with plaintiffs' consent) moved to stay proceedings in this matter in light of the President's announcement that the United States Department of Justice would be issuing "a proposed rule to make clear when a device marketed as a stabilizing brace effectively turns a pistol into a short-barreled rifle subject to the requirements of the National Firearms Act." ECF No. 24. The Court granted the motion on May 24, 2021, and held all further proceedings in abeyance. ECF No. 25.

On June 10, 2021, defendants published in the Federal Register a proposed rule on "Factoring Criteria for Firearms With Attached 'Stabilizing Braces," 86 Fed. Reg. 30,826 (June 10, 2021). The proposed rule provided for a 90-day public comment period, during which the agency received 211,564 comments. The agency has since processed all of those comments and is presently in the process of drafting a final rule. The agency currently expects to publish a final rule in January 2023.

Accordingly, in the interest of judicial economy and conservation of party resources, the

parties have conferred and agree that proceedings in this matter should continue to be held in abeyance. The parties respectfully request that they be permitted to file an additional joint status report on or before February 27, 2023, indicating whether this matter should remain stayed. In the event that the parties are of the view that the stay should be lifted, they will include in the joint status report a proposed schedule for next steps in this litigation.

Dated: December 28, 2022

Respectfully submitted,
