EIA-862 CRYPTOCURRENCY MINING FACILITIES REPORT

OMB No. 1905-XXXX Approval Expires: XX/XX/2024 Burden Hours: 0.5 hours

<u>INSTRUCTIONS</u>

YOUR RESPONSE IS REQUIRED BY LAW

This report is **mandatory** under the Federal Energy Administration Act of 1974 (Public Law 93-275). Failure to comply may result in criminal fines, civil penalties and other sanctions as provided by law. For further information concerning sanctions and data protections, see the provision on sanctions and the provision concerning confidentiality of information in the instructions. **Title 18 USC 1001 makes it a criminal offense for any person knowingly and willingly to make to any Agency or Department of the United States any false, fictitious, or fraudulent statements as to any matter within its jurisdiction.**

REQUIRED RESPONDENTS

Respondents to the Form EIA-862 who are required to complete this form are all commercial cryptocurrency mining facilities in the United States.

PURPOSE

Form EIA-862 collects data on the energy usage, and related characteristics, of commercial cryptocurrency mining facilities in the United States. The data are used to monitor the current status and patterns of energy usage by cryptocurrency mining in the United States.

DUE DATE

The status information provided on the EIA-862 should be the status of the facility as of the end of the data reporting period. The report is due on approximately the last Friday of the month following the data reporting period (previous month).

HOW TO FILE A RESPONSE

By mail: Complete Form EIA-862 and return it in the prepaid postage envelope to the address below.

U.S. Department of Energy (EI-23)

ATTN: EIA-862

Ben Franklin Station

PO Box 279

Washington, DC 20044-0279

By phone: Call 1-855-EIA-4USA (1-855-342-4872) Monday through Friday, 8:00 AM to 6:00 PM E.T. to complete EIA-862 with an interviewer.
