As discussed, no one will be there. I have no POC's for the Nationalist Front, never have and likely never will. You all pretend like you don't understand this extremely basic concept, but I'm sure with your combined educations and intellect, somebody will be able to figure it out. You might as well demand that I assemble the board of Compuserve. Email me directly if there's something within the realm of possibility I can do for you.

Best regards,
