UNITED STATES DISTRICT COURT FOR THE WESTERN DISTRICT OF WASHINGTON AT TACOMA

UNITED STATES OF AMERICA,
Plaintiff

v.

ASHTON CONNOR GARCIA,
Defendant.

NO. **CR23-5090 BHS**
INDICTMENT

The Grand Jury charges that:

INTRODUCTION

1. At all times relevant to this Indictment, ASHTON CONNOR GARCIA lived in Kitsap County, within the Western District of Washington.

2. From early June 2022 through early September 2022, ASHTON CONNOR GARCIA engaged in prolific swatting activity. "Swatting" is the malicious practice of making hoax emergency calls to an emergency service, such as a police department, to falsely report an ongoing emergency at a particular location. The intent of a swatting call is to cause large-scale deployment of special weapons and tactics (SWAT) teams, bomb squads, and other police units to the targeted location. By way of example, such calls

1 may involve allegations that an explosive device will be detonated, or that a violent crime
2 has taken or is taking place. Swatting calls are typically made to harass, intimidate, and
3 retaliate against specific individuals or organizations and to obtain items of value through
4 extortion.

5 3. ASHTON CONNOR GARCIA obtained personally identifiable
6 information, including dates of birth, phone numbers, addresses, and identities of family
7 members, through various means. He then used that information to threaten individuals
8 with harm, including swatting, and to place swatting calls. Sometimes, an online friend
9 provided him with personally identifiable information for a target, and he swatted the
10 target at the friend's request.

11 4. ASHTON CONNOR GARCIA made threats to harass and extort specific
12 individuals and organizations. He demanded money, virtual currency, credit card
13 information, or other items of value, such as sexual photographs, from specific
14 individuals and organizations and threatened to harm individuals, place swatting calls,
15 and detonate explosive devices if they did not comply with his demands.

16 5. ASHTON CONNOR GARCIA used VoIP technology to obscure his true
17 identity and location and to place hoax calls to law enforcement agencies at non-
18 emergency phone numbers.

19 6. As part of his swatting activity, ASHTON CONNOR GARCIA provided
20 information to law enforcement agencies that he knew to be false. He provided false
21 names. He falsely claimed that he and others had planted explosive devices in particular
22 locations. He falsely accused other individuals of committing crimes, such as murder,
23 rape, and kidnapping, and he falsely claimed that these individuals possessed dangerous
24 weapons, such as knives, firearms, and explosive devices.

25 7. Several of ASHTON CONNOR GARCIA's swatting calls repeated certain
26 false scenarios or "scripts." These repetitive scenarios included false claims that his
27

1 father was holding him hostage, false claims that he shot his mother, false claims that his
2 father stabbed his mother, and false claims that his father had raped female members of
3 the family.

4 8. ASHTON CONNOR GARCIA never used his true name when making a
5 swatting call. On several occasions, he used the name of an earlier swatting victim.

6 9. By making these swatting calls, ASHTON CONNOR GARCIA intended to
7 cause a large-scale deployment of police resources to the residences of the people he
8 targeted.

9 10. In response to many of ASHTON CONNOR GARCIA's swatting calls,
10 emergency dispatchers spent several minutes on the phone with GARCIA. During that
11 time, these dispatchers were unavailable to respond to other emergencies.

12 11. In response to many of ASHTON CONNOR GARCIA's swatting calls,
13 armed law enforcement officers were dispatched to the targeted address. During that
14 time, these officers were unavailable to respond to other emergencies. In some instances,
15 the armed law enforcement officers approached and entered a targeted residence with
16 their weapons drawn and detained the people who occupied the residence. This created a
17 volatile and potentially lethal situation for responding law enforcement officers and
18 scared and surprised victims who misunderstood the true nature of the situation they were
19 confronting.

20 12. ASHTON CONNOR GARCIA sometimes placed more than one swatting
21 call targeting a particular victim's residence.

22 13. ASHTON CONNOR GARCIA treated swatting calls like entertainment.
23 He broadcasted swatting calls on Discord, an Internet platform that allows users to
24 communicate through voice, video, and text/chat messaging channels. He invited
25 Discord users to watch him place swatting calls at certain dates and times. He created
26 and used Discord servers to broadcast swatting calls to an audience of Discord users.
27

1 During some of the swatting calls, audience members pretended to be victims or
2 perpetrators of the falsely reported crimes.

3 14. During some of these swatting incidents, ASHTON CONNOR GARCIA
4 taunted police who responded to the emergency and ultimately realized that the call had
5 been a hoax. In online communications, ASHTON CONNOR GARCIA described
6 himself as a “cyber terrorist” and said, “I love being a criminal.”

7 15. In a three-month period between June 6, 2022 and September 6, 2022,
8 ASHTON CONNOR GARCIA made more than 20 swatting calls to police departments
9 and emergency dispatch centers throughout the United States and Canada, including
10 California, Georgia, Illinois, Kentucky, Michigan, Minnesota, New Jersey, Ohio,
11 Pennsylvania, Tennessee, Washington, and Edmonton, Alberta.
